

LAWN IRRIGATION MAINTENANCE

The irrigation maintenance will be done starting the first Monday of every month. Irrigation maintenance for areas covered by Clock 1, Programs 1 & 2 will be done on Monday and Wednesdays. Areas covered by Clock 1, Program 3 will be checked on Wednesday and Fridays. Areas covered by Clock 2, Programs 1 & 2 will be checked the second Monday of each month.

Lawn maintenance will be done on Thursdays. Please note during the winter months (November 1st through March 31st) the lawns are mowed every two weeks.

Please make everyone aware that these schedules are totally dependent upon weather conditions. Also, it is understood that a web-based presentation is being developed by Brian Alderfer, Mercedes, to reflect some of this information pictorially.
